Tony slowly dipped a toe in the water, quickly drawing it back once it made contact.

Marko rolled his eyes and glided smoothly through the calm waters of the lake. "How do you expect to learn if you don't come in?"

"I'm scared."

"I'm not gonna let you drown. Hop in."

Tony took a deep breath and dived in before he garnered second thoughts. He panicked before hands curled

under his armpits and hauled him up; he came face to face with Marko.

"See? You ready to learn?"

Tony nodded. "Just don't let go, thirteen's a bit early to die."
